Join us at the University of Nebraska-Lincoln for lunch and an opportunity to meet Husker athletes from various sports.

Experience the 86,000 seat capacity stadium. **Tour the Huskers Athletic Complex**— Walk the tunnel walk like the players do, see trophy displays and find out how each coaches' office overlooks the strength complex, giving them a birds-eye-view of the work being done every day during the season!

Please park in the UNL Champions Parking Lot straight across from the front entrance to Memorial Stadium which faces the interstate.

Enter the stadium and meet up with the group.
